

SAAB CAR CLUB NSW

Saab Car Club of Australia (NSW) Inc.

Rules for Conditional Registration Permits and the Issue of Historic Vehicle Plates

Part 1: Eligibility

- To be eligible for the Historic Conditional Registration Scheme (HCRS) and the Classic Vehicle Scheme (CVS), the vehicle must be at least 30 years old or will become 30 years old in the current calendar year. The onus of proof of age shall rest with the applicant for a Conditional Registration Permit
- A Conditional Registration Permit application will be considered only from a financial member of more than six (6) months standing who has attended at least one (1) Club event in the previous six (6) months
- Members are required to attend at least three (3) events each year to remain eligible in on-going years. For members that reside more than 200 kilometres outside Sydney, attendance at two (2) events each year will be required
- For HCRS the vehicle must be as close to original condition as possible with no modifications other than those that are safety related. Period options and accessories may be added. **For CVS, see details below concerning legitimacy and requirements for engineering certification**
- All applicants for HCRS and CVS Conditional Permits must have read these rules and shall complete and sign an application form indicating that they fully understand their responsibilities and agree to abide by these (and as amended by RMS or the Club from time to time)
- Applicants must also pay an annual fee to the Club before the required form is signed and stamped by the Club Scrutineer
- The final arbiter shall be the club committee

Part 2: Use of vehicles approved for use under HCRS or CVS Conditional Registration Permits

SCCA NSW Club members have **two choices** –

1. OPT IN to the new 60-Day Trial

If you choose to "opt in" to the trial then you can use the vehicle for all the events on your Primary Club's Calendar plus 60 days per year for any other usage, including interstate trips. These trips must be entered into the log book issued by the RMS and properly recorded in accordance with the requirements of RMS. The log book is issued when you go to the RMS and apply to "opt in".

Each log book entry covers the day of use, however the distance or destination of the trip does not have to be noted. An example would be if you were on a three day trip, each day must be entered in the log book

Primary Club events do not have to be logged. However any events with your Secondary Clubs (if applicable) must now be logged in the 60 Day Log Book.

There is no additional cost to "opt in" however Members will be required to complete the RMS Change of Records Form (Form 1021) to receive a 60 day log book. Refer below for required section completion on Form 1021, once Conditional Registration approved by RMS.

2. To use the vehicle under the original scheme for Club events and Servicing of Vehicle:

Club events shall be:

- Events as set out in the Club events calendar.
- Events as set out in the calendar of up to three secondary clubs listed on the RMS Form 1259
- Events conducted by the Council of Motor Clubs or its affiliated car clubs and to which the Club has received an official invitation. Those clubs must be RMS approved to issue Historic Vehicle Plates

Servicing of Vehicle means:

- Journeys necessary for the servicing or road testing of a vehicle may be undertaken at any time, but for only a short distance from the notified garaging place of the vehicle
- **Any longer run necessary for servicing or testing of a vehicle may be undertaken only after receiving permission from the primary club Historic Vehicle Plates Registrar or, in the Registrar's absence, from the President, Secretary or Treasurer**
- This permission must be properly recorded in the Club records by the person approving the movement with full details of time, place and reason.

If you acquired your Historic Registration using the 1259 form issued by Saab Car Club of Australia (NSW) Inc. then Saab Car Club of Australia (NSW) Inc. is your Primary Club. If you are also a member of other RMS recognised Clubs and these Clubs are listed on the 1259

form, then you can also use the car for their events. These other Clubs are regarded as your Secondary Clubs.

Classic Vehicle Scheme (CVS)

The Club has the ability to offer Classic Vehicle Scheme (CVS) Conditional Registration Permits based on similar conditions to HCRS e.g. six (6) month membership requirement, attendance at one (1) or more events in the prior six (6) months, vehicle over 30 years etc.)

Applications must be in compliance with all RMS regulations and approved by both the Club and The Council of Motor Clubs before submission to RMS. All members applying for a CVS Conditional Registration Permit will require approval from the Club HCRS/CVS Scrutineer concerning legitimacy and requirements for engineering before applications will be stamped by the Club.

Part 4: Responsibilities of Permit Holder

- All enquiries must be directed to the Scrutineer/Historic Vehicle Conditional Registration Permit Registrar (contact details below). Individual approaches to the RMS are not permitted
- **All requests for vehicle inspection by the Scrutineer are strictly by appointment requiring all documentation as noted in the rules and application form to be presented at time of appointment**
- When using a vehicle on HCRS or CVS, for Club events a copy of the Club's event calendar, current Club's membership card, log book and RMS Certificate of Approved Operations must be carried in the vehicle at all times
- Conditional Registration Permits issued to a member of the Club are not transferable either to another vehicle or person in the event of the vehicle being sold or otherwise disposed of
- Plates must immediately be returned to the RMS:
 - i. In the event of the sale or disposal of the vehicle for which they were issued
 - ii. Upon the member's resignation from the Club

- iii. upon the member's failure to remain a financial member of the Club, as set out in the constitution of the Club.
- iv. If the Club Committee or Scrutineer considers that the vehicle has been made unsafe or altered inappropriately after it has been inspected.
- v. If the member does not attend three (3) or more Saab Car Club of Australia (NSW) Inc. events per year (two for members more than 200 kilometres outside of Sydney)
- vi. Conditional Registration Permits are issued in the belief that the member's prime intended use is for participation in the 60 day log book trial or for Club events. The committee retains the right to reconsider eligibility for issue or renewal of Conditional Registration Permits

FAILURE TO RETURN HISTORIC PLATES IN RESPONSE TO THE ABOVE CONDITIONS WILL RESULT IN IMMEDIATE NOTIFICATION TO THE POLICE THAT A CONDITIONALLY REGISTERED VEHICLE IS BEING USED ILLEGALLY AND THAT THE HISTORIC VEHICLE PLATES ARE STOLEN PROPERTY

Part 5: Annual Vehicle Inspection

- The vehicle must undergo an inspection by the Scrutineer prior to the issue of a Conditional Registration Permit and annually on the 1st Saturday in August. All Conditional Registration Permits will expire on the 16th August. Failure to comply will mean loss of the Conditional Registration Permit. Unregistered vehicles must be taken by trailer to and from the inspection point.
- The Club will appoint official persons as scrutineers for the issue of Conditional Registration Permits. When a vehicle is first issued with a Conditional Registration Permit, the owner must obtain a Safety Inspection Report (pinkslip) for the vehicle from an RMS authorised inspection station
- Chassis, engine and vehicle identification numbers shall form part of the identification of a vehicle issued with a Conditional Registration Permit. Any change to the engine number must be notified to the Registrar as well as the RMS. A change of VIN or chassis number is not permitted.
